

Steinert After-Prom Fashion Show

2010

Program Ad Book

Ad Deadline is February 12, 2010

The Fashion Show Program Ad Book is an integral part of the Fashion Show fundraiser. The proceeds from the book are used to help support the After-Prom Event, held after the Senior Prom. The Program Ad Book is distributed to each attendee at the Fashion Show.

Contributions and ads can be raised through solicitations of businesses that you frequent, friends and family. Show participants also appreciate your ad with words of support in the book.

We do not want to assess anyone a specific amount to be raised towards the Program Ad Book; **however, we strongly encourage everyone to participate since each and every ad increases the After-Prom budget, and in turn affects what we can offer our students that night! Your efforts to make this ad book a stunning success are truly appreciated!**
